The conference also includes a pre-conference parent dinner hosted by Michigan Hands & Voices/Guide By Your Side.

Plans are underway, for next year's EHDI conference and EHDI staff would like your input. If you have ideas for presenters and/or topics, please contact Jeff Spitzley, EHDI Coordinator, at spitzleyj2@michigan.gov or (517) 335-8131.

WHO WE ARE

Michigan Hands & Voices is a chapter of the nationwide non-profit organization dedicated to supporting families of children who are deaf or hard of hearing, as well as the professionals who serve them. We are a parent-driven, parent/professional collaborative group that is unbiased towards communication modes and methods.

We are parents, teachers, audiologists, and interpreters — just to name a few! Our diverse membership includes those who communicate orally, with signs, with cued speech, and/or combined methods.

OUR MISSION

Michigan Hands & Voices is dedicated to unbiased support of families who have children who are deaf or hard of hearing. We believe that families will make the best choices for their children if they have access to good information and support. Whether we're at work locally or nationally, Hands & Voices continues to be driven by the need to improve educational outcomes and the quality of life for children with hearing loss. We exist to help our children reach their highest potential!
